

To Whom it May Concern;

I just wanted to voice my opinion on XM Radio. I don't mind paying for XM, it is a fantastic service. We should have the freedom to listen to what we want and not have other regulating it, especially if I am paying for it. XM Radio needs to be left alone, maybe someone there can look at the success of the XM Radio and find a way to do your own. Leave my XM Radio alone. Find some other things to spend your time worrying about.
